DETAILED ACTION

Allowable Subject Matter

Claims 1-20 are allowed.

The following is an examiner's statement of reasons for allowance: Claims 1, 10, and 16 and their dependent claims are allowed since a thorough search of prior art failed to disclose any reference or references which, taken alone or in combination, taught or suggested a pant-like disposable garment with a pair of tear lines formed in the front panel and each extending from the waist opening to the leg opening, nor did the search disclose a pair of attachment members secured to one side of the tear lines removeably fastened to the other side of the tear lines, or a pair of ear flaps aligned under a pair of attachments extending outward from a portion of the tear lines where when the attachment member are unfastened the ear flaps will remain attached and cause the tear lines to break.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
